As a seasoned Carbon Management Specialist with over 9 years of experience in the corporate sector, I have developed a strong expertise in integrating sustainability into business operations. My career has focused on crafting carbon management strategies that not only comply with regulations but also drive business growth. I have successfully led cross-functional teams to implement sustainability initiatives that result in measurable reductions in carbon emissions.

WORK EXPERIENCE

Corporate Sustainability Manager | EcoCorporate Solutions

Jan 2022 – Present

- Designed and implemented a corporate sustainability strategy, achieving a 35% reduction in carbon emissions.
