# MICHAEL ANDERSON

## SENIOR FINANCIAL ANALYST - CARBON MARKETS

Accomplished Carbon Risk Manager with a robust background in financial analysis and environmental policy. Expertise lies in the intersection of finance and sustainability, enabling the effective management of carbon risks within diverse investment portfolios. Demonstrated ability to develop innovative financial instruments that promote sustainable practices while ensuring compliance with regulatory requirements.

## **PROFESSIONAL EXPERIENCE**

### **Global Investment Partners**

*Mar 2018 - Present*

Senior Financial Analyst - Carbon Markets

- Analyzed carbon market trends to inform investment decisions and risk assessments.
- Developed financial models to evaluate the impact of carbon regulations on portfolio performance.
- Collaborated with compliance teams to ensure adherence to carbon trading regulations.
- Provided insights on carbon asset valuation and risk management strategies.
- Presented findings to investment committees, shaping strategic investment directions.
- Led initiatives to integrate carbon risk metrics into financial performance evaluations.

### **Sustainable Asset Management**

*Dec 2015 - Jan 2018*

Carbon Risk Associate

- Conducted detailed analyses of carbon risk exposure across various investment strategies.
- Developed risk mitigation plans in collaboration with portfolio managers and analysts.
- Assisted in the development of carbon offset projects to enhance portfolio sustainability.
- Monitored regulatory changes affecting carbon markets and advised on compliance strategies.
- Engaged with external stakeholders to promote sustainable investment practices.
- Authored reports on the financial implications of carbon risk management.

## **ACHIEVEMENTS**

- Successfully identified investment opportunities leading to a 20% increase in sustainable assets.
- Recognized for developing a proprietary carbon risk assessment tool adopted by the firm.
- Contributed to a significant reduction in carbon liabilities through strategic investment decisions.
