MICHAEL ANDERSON

CARDIAC NURSE

Dynamic and detail-oriented Cardiac Care Nurse with a focus on acute cardiac care, bringing 5 years of experience in fast-paced hospital environments. My clinical experience is backed by a solid educational foundation in nursing, complemented by specialized training in cardiac care. I am skilled in utilizing advanced monitoring technologies and collaborating with multidisciplinary teams to optimize patient outcomes.

PROFESSIONAL EXPERIENCE

Metro Health Hospital

Mar 2018 - Present

Cardiac Nurse

- Provided direct care to patients in the cardiac unit, managing acute conditions.
- Utilized telemetry and other advanced monitoring systems for patient assessment.
- Administered medications and treatments as per physician orders.
- Assisted in preparing patients for procedures, ensuring comfort and understanding.
- Conducted patient and family education on cardiac health management.
- Maintained accurate documentation and participated in care planning.

Springfield Medical Center

Dec 2015 - Jan 2018

Nurse Resident - Cardiology

- Supported senior nurses in delivering care to cardiac patients.
- Participated in the assessment of patient conditions and vital signs monitoring.
- Engaged in patient education for medication adherence and lifestyle changes.
- Contributed to team meetings discussing patient care strategies.
- Assisted in maintaining a clean and safe environment for patients.
- Facilitated communication between patients and healthcare providers.

ACHIEVEMENTS

- Received a Nursing Excellence Award for outstanding patient care in 2020.
- Contributed to a significant reduction in patient falls in the cardiac unit.
- Enhanced patient satisfaction scores through effective communication practices.
