ACHIEVEMENTS

- Recipient of the 'Rising Star Award' for outstanding performance in patient care in 2019.
- Implemented a patient feedback system that increased satisfaction metrics by 20%.
- Completed advanced training in echocardiography, enhancing technical skills and knowledge.

PROFILE

Enthusiastic and compassionate Cardiac Technologist with 5 years of diverse experience in clinical and outpatient settings. I specialize in non-invasive cardiac testing and have a solid background in patient education and support. My strong communication skills enable me to effectively explain procedures and alleviate patient concerns, ensuring a positive testing experience.

EXPERIENCE

CARDIAC TECHNOLOGIST

Metro Health System

2016 - Present

- Conducted echocardiograms and stress tests, achieving a 98% patient satisfaction rating.
- Trained new staff on equipment usage and safety protocols, improving overall team competency.
