MICHAEL ANDERSON

CARGO OPERATIONS MANAGER

Strategic and detail-oriented Cargo Operations Manager with a strong focus on process optimization and risk management. Over 12 years of experience in the logistics sector, specializing in cargo operations across various transportation modes. Expertise in developing and implementing safety protocols that mitigate risks and enhance operational effectiveness. Proven ability to manage large-scale logistics projects and lead teams to success.

PROFESSIONAL EXPERIENCE

Apex Logistics

Mar 2018 - Present

Cargo Operations Manager

- Managed cargo operations for international shipments, ensuring compliance with all regulations.
- Developed and implemented risk management strategies to reduce operational hazards.
- Trained staff on safety protocols and best practices in cargo handling.
- Utilized data analytics to monitor performance and identify improvement areas.
- Coordinated with multiple departments to ensure seamless cargo flow.
- Executed cost-benefit analyses to inform decision-making processes.

Cargo Masters Inc.

Dec 2015 - Jan 2018

Logistics Supervisor

- Supervised daily cargo operations, ensuring compliance with safety and quality standards.
- Implemented inventory management systems that improved accuracy by 40%.
- Negotiated shipping contracts with vendors, achieving a 10% cost reduction.
- Led a team of logistics coordinators to streamline operations.
- Analyzed shipping data to identify trends and optimize routes.
- Developed contingency plans for potential disruptions in the supply chain.

ACHIEVEMENTS

- Reduced operational risks by implementing new safety protocols, resulting in zero accidents for two consecutive years.
- Recognized for excellence in leadership with the 'Logistics Leader Award' in 2022.
- Increased efficiency in cargo operations by 30% through process improvements.
