MICHAEL ANDERSON

CARGO PLANNING MANAGER

Detail-oriented Cargo Planner specializing in the management of complex logistics operations within the maritime industry. Possesses a robust understanding of shipping regulations, port operations, and international trade compliance. Recognized for exceptional organizational skills and the ability to manage multiple projects simultaneously while maintaining high standards of accuracy and efficiency. Demonstrates a proactive approach to identifying potential supply chain disruptions and implementing effective contingency plans.

PROFESSIONAL EXPERIENCE

Maritime Logistics Co.

Mar 2018 - Present

Cargo Planning Manager

- Oversaw cargo planning for multiple vessels, ensuring optimal load distribution.
- Coordinated with port authorities to streamline vessel scheduling and docking.
- Developed contingency plans to mitigate risks associated with delays.
- Monitored compliance with international shipping regulations and safety standards.
- Analyzed vessel performance data to enhance operational efficiency.
- Trained team members on best practices in cargo planning and management.

Ocean Freight Solutions

Dec 2015 - Jan 2018

Logistics Coordinator

- Managed logistics for international shipments, ensuring timely arrivals.
- Collaborated with shipping agents to optimize cargo routing.
- Utilized tracking systems to monitor shipments and resolve issues proactively.
- Conducted audits of shipping documents to ensure compliance with regulations.
- Provided assistance in the development of operational guidelines.
- Facilitated communication between departments to enhance workflow efficiency.

ACHIEVEMENTS

- Improved cargo turnaround time by 15% through effective planning.
- Recognized for exemplary performance in managing high-stakes logistics projects.
- Successfully implemented a new software system that increased operational efficiency.
