

MICHAEL ANDERSON

CARPENTRY FOREMAN

PROFILE

Accomplished Carpentry Foreman with extensive expertise in commercial carpentry, specializing in large-scale projects that demand meticulous attention to detail and superior craftsmanship. Adept at managing multifaceted teams while fostering a culture of safety and excellence. Proficient in navigating complex construction challenges and developing innovative solutions that streamline operations. Strong advocate for sustainable building practices, consistently seeking to incorporate eco-friendly materials and methods into projects.

EXPERIENCE

CARPENTRY FOREMAN

Premier Construction Solutions

2016 - Present

- Oversaw the carpentry team for a \$10 million commercial office building project.
- Implemented sustainable practices that reduced waste and enhanced project efficiency.
- Developed and enforced safety protocols, resulting in zero accidents during project duration.
- Managed subcontractor relationships to ensure timely delivery of services.
- Tracked project progress and adjusted plans to meet deadlines.
- Conducted performance evaluations and provided constructive feedback to team members.

SENIOR CARPENTER

Build Right Contractors

2014 - 2016

- Executed high-quality finishes for commercial interiors, including cabinetry and moldings.
- Collaborated closely with project managers to align construction goals with client expectations.
- Utilized advanced carpentry software for project planning and execution.
- Ensured compliance with local building codes and regulations.
- Mentored junior carpenters in advanced techniques and best practices.
- Assisted in estimating project costs and timelines for bidding purposes.
