# MICHAEL ANDERSON

## CARPENTRY SUPERVISOR

Accomplished carpentry site supervisor with a profound understanding of construction methodologies and project management principles. Demonstrates a keen ability to balance quality, safety, and efficiency throughout the project lifecycle. Proven success in leading diverse teams to achieve ambitious goals while fostering a culture of teamwork and accountability. Experienced in coordinating large-scale renovations and new constructions, ensuring compliance with stringent regulatory standards.

## **PROFESSIONAL EXPERIENCE**

### **Innovative Structures LLC**

*Mar 2018 - Present*

#### Carpentry Supervisor

- Oversaw carpentry operations on commercial building projects, ensuring adherence to timelines.
- Implemented safety protocols, achieving a zero-accident record for two consecutive years.
- Facilitated collaboration between engineering and carpentry teams to optimize workflows.
- Managed subcontractor performance, ensuring compliance with quality standards.
- Utilized project management software to track progress and manage resources.
- Conducted final inspections, ensuring all work met regulatory requirements.

### **Structure Masters Inc.**

*Dec 2015 - Jan 2018*

#### Lead Carpenter

- Executed precision carpentry tasks in high-end residential projects.
- Mentored junior carpenters, enhancing team skill levels and productivity.
- Participated in project estimation and planning phases.
- Maintained high standards of craftsmanship, receiving accolades from clients.
- Developed and maintained strong relationships with suppliers for quality materials.
- Achieved a significant reduction in project delays through effective scheduling.

## **ACHIEVEMENTS**

- Received 'Top Supervisor Award' for exemplary leadership and project execution.
- Completed projects under budget while exceeding quality expectations.
- Increased team efficiency by implementing new workflow strategies.
