MICHAEL ANDERSON

CARPENTRY PROJECT MANAGER

A distinguished carpentry technician with extensive experience in the commercial sector, this professional excels in managing complex projects from conception through completion. With over twelve years in the industry, the focus has been on delivering high-quality results that align with client expectations and regulatory standards. Expertise in large-scale construction and renovation projects underscores a robust understanding of structural integrity and safety compliance.

PROFESSIONAL EXPERIENCE

Urban Development Group

Mar 2018 - Present

Carpentry Project Manager

- Led multiple commercial construction projects, ensuring adherence to timelines and budgets.
- Coordinated with architects, engineers, and subcontractors to align project goals.
- Implemented quality assurance measures that resulted in a 20% reduction in rework.
- Managed procurement of materials, negotiating with suppliers for favorable terms.
- Developed and maintained project documentation, ensuring compliance with industry standards.
- Conducted training sessions for team members on safety and best practices.

Construction Innovations

Dec 2015 - Jan 2018

Senior Carpentry Technician

- Supervised carpentry teams on commercial renovation projects, ensuring quality control.
- Executed structural modifications in accordance with engineering specifications.
- Performed site inspections to verify compliance with safety regulations.
- Facilitated communication between clients and project teams, ensuring alignment of expectations.
- Utilized project management software to track progress and report metrics.
- Enhanced team performance through targeted training and skill development.

ACHIEVEMENTS

- Awarded 'Outstanding Project Leader' for exemplary performance in 2021.
- Achieved a 98% client retention rate through exceptional service delivery.
- Successfully completed over 30 large-scale commercial projects on time and within budget.
