

MICHAEL ANDERSON

CARPENTRY PROGRAM COORDINATOR

PROFILE

Accomplished Carpentry Trades Instructor with a robust background in construction management and educational methodologies. Specializes in equipping students with both technical skills and theoretical knowledge necessary for success in the carpentry sector. Demonstrated ability to create engaging lesson plans that incorporate real-world applications and safety practices. Committed to fostering a passion for craftsmanship and promoting sustainable building practices among students.

EXPERIENCE

CARPENTRY PROGRAM COORDINATOR

Building Skills Academy

2016 - Present

- Developed a comprehensive carpentry training program that improved student retention rates by 25%.
- Coordinated with local businesses to secure internship opportunities for students, enhancing practical experience.
- Implemented safety training sessions that resulted in zero accidents during the training period.
- Utilized project-based learning to encourage teamwork and problem-solving skills among students.
- Managed budgetary allocations for tools and materials, ensuring cost-effective procurement processes.
- Facilitated evening classes for adult learners, expanding accessibility to carpentry training.

CARPENTRY INSTRUCTOR

Skill Builders College

2014 - 2016

- Conducted hands-on workshops focusing on advanced framing and finishing techniques, increasing student satisfaction ratings.
- Evaluated curriculum effectiveness through student performance metrics, leading to curriculum enhancements.
- Established partnerships with local trade unions for student mentorship and job placement.
- Incorporated technology in teaching, using software tools for design and project management.
- Organized student showcases to demonstrate skills to potential employers and industry experts.
- Mentored students in resume writing and interview preparation, increasing employability outcomes.
