### WORK EXPERIENCE

#### Carpentry Instructor

2020-2023

Trade Skills Academy

- Developed a hands-on curriculum that improved student skill proficiency by 30% over three academic years.
- Hosted guest lectures from industry professionals, enriching student learning experiences and networking opportunities.
- Implemented safety drills and workshops, achieving a 100% safety record during training sessions.
- Created a student portfolio system to document and showcase individual projects and achievements.
- Collaborated with course advisors to align curriculum with industry standards and labor market needs.
- Encouraged student participation in volunteer projects, enhancing community involvement and skill application.

#### Vocational Trainer

2019-2020

Local Community College

- Designed and delivered carpentry workshops focusing on sustainable building practices, resulting in heightened student awareness.
- Facilitated student group projects that encouraged collaboration and problem-solving skills.
- Monitored student performance and provided tailored feedback to support individual learning paths.
- Organized career fairs and networking events to connect students with potential employers.
- Coordinated with local contractors to secure real-world project opportunities for students.
- Participated in curriculum review committees, ensuring continuous alignment with industry requirements.

### ACHIEVEMENTS

- Increased student employment rates to 80% within six months of graduation through enhanced job placement initiatives.
