# MICHAEL ANDERSON

## PROGRAM MANAGER

Strategic and analytical Case Management Specialist with over 8 years of experience in public health and policy advocacy. Proven track record of developing and implementing effective case management programs that address the needs of underserved communities. Strong expertise in data analysis, program evaluation, and stakeholder engagement. Recognized for the ability to build partnerships with community organizations and government agencies to facilitate resource allocation.

## **PROFESSIONAL EXPERIENCE**

### **National Public Health Initiative**

*Mar 2018 - Present*

Program Manager

- Led the design and implementation of a statewide case management program.
- Conducted data analysis to identify trends and gaps in service delivery.
- Collaborated with stakeholders to develop policy recommendations.
- Managed a team of case managers and support staff.
- Monitored program outcomes and prepared reports for funding agencies.
- Facilitated training sessions for community partners on best practices.

### **Urban Health Services**

*Dec 2015 - Jan 2018*

Case Manager

- Provided case management services to high-risk populations.
- Coordinated care with medical and social service providers.
- Conducted outreach and engagement activities in the community.
- Developed resource directories for clients and families.
- Maintained accurate and confidential client records.
- Assisted in grant writing and fundraising efforts for program sustainability.

## **ACHIEVEMENTS**

- Increased program funding by 50% through successful grant applications.
- Recognized for excellence in program evaluation by the Public Health Association.
- Successfully launched a community health initiative that served over 1,000 residents.
