MICHAEL ANDERSON

CATTLE PRODUCTION SUPERVISOR

Results-driven Cattle Production Specialist with a solid background in enhancing operational efficiency and profitability within cattle ranching environments. Expertise in livestock nutrition and health management, with a strong focus on implementing cost-effective strategies that yield measurable results. Demonstrated ability to lead cross-functional teams in the execution of innovative production techniques and herd management practices.

PROFESSIONAL EXPERIENCE

Ranchers Co-op

Mar 2018 - Present

Cattle Production Supervisor

- Supervised daily operations of cattle production, enhancing efficiency.
- Developed nutritional programs tailored to herd needs, boosting weight gain.
- Implemented quality control measures to ensure feed standards.
- Trained staff on best practices in cattle handling and care.
- Monitored herd health through regular veterinary checks.
- Managed inventory of feed and supplies, optimizing costs.

Sunset Ranches

Dec 2015 - Jan 2018

Assistant Livestock Manager

- Assisted in managing cattle operations, focusing on herd health.
- Implemented feeding schedules to improve growth rates.
- Maintained accurate records of production metrics and health data.
- Collaborated with veterinarians for preventative care programs.
- Participated in safety audits and compliance checks.
- Engaged with local suppliers for feed procurement.

ACHIEVEMENTS

- Increased average daily weight gain by 15% through improved feeding practices.
- Recognized for outstanding leadership in cattle production management.
- Successfully reduced feed costs by 10% through strategic sourcing.
