

MICHAEL ANDERSON

CERAMIC DESIGNER

PROFILE

Innovative Ceramic Craft Artisan specializing in functional pottery with a focus on user experience and aesthetic appeal. Over eight years of hands-on experience in crafting high-quality ceramic wares that blend artistry with everyday utility. Expertise in various firing techniques, including gas and electric kilns, allowing for versatility in design and finish.

EXPERIENCE

CERAMIC DESIGNER

Functional Pottery Co.

2016 - Present

- Developed a range of dinnerware that emphasizes ergonomic design.
- Collaborated with chefs to create unique serving pieces tailored to their specifications.
- Utilized advanced glazing techniques to enhance durability and aesthetic appeal.
- Managed inventory and production schedules to meet client demands.
- Trained apprentices in pottery techniques and studio practices.
- Conducted market research to identify trends and consumer preferences.

ASSISTANT CERAMIC TECHNICIAN

Creative Clay Studio

2014 - 2016

- Assisted in the production of ceramic pieces for commercial clients.
- Maintained studio equipment, ensuring optimal operating conditions.
- Implemented quality control measures to uphold product standards.
- Participated in community outreach programs to promote ceramic arts.
- Researched and applied new techniques to improve production efficiency.
- Helped organize local art fairs, increasing community awareness of ceramics.
