# MICHAEL ANDERSON

## HEAD OF CG DEPARTMENT

Strategic CG Supervisor with extensive experience in managing large-scale animation projects for both film and television. Renowned for the ability to transform creative concepts into visually stunning realities through effective team leadership and innovative techniques. Demonstrates a profound understanding of the animation pipeline, coupled with a strong artistic sensibility and technical expertise.

## **PROFESSIONAL EXPERIENCE**

### **Starlight Productions**

*Mar 2018 - Present*

Head of CG Department

- Led a CG department of over 40 artists, overseeing multiple simultaneous projects.
- Developed strategic plans to enhance team performance and project outcomes.
- Implemented quality assurance processes that reduced errors by 20%.
- Collaborated with executive management to align creative vision with business objectives.
- Organized departmental workshops to promote skills and knowledge sharing.
- Presented project proposals to clients, securing funding for new initiatives.

### **Creative Minds Studio**

*Dec 2015 - Jan 2018*

CG Artist

- Created detailed 3D assets for various animated projects.
- Worked closely with directors to ensure artistic integrity was maintained.
- Employed software such as ZBrush and Cinema 4D to enhance visual quality.
- Assisted in developing animation styles that aligned with project themes.
- Participated in peer reviews, providing constructive feedback to improve quality.
- Maintained project documentation to ensure smooth workflow transitions.

## **ACHIEVEMENTS**

- Successfully led projects that received multiple international awards.
- Reduced project costs by 15% through innovative resource management.
- Recognized for excellence in project delivery with the Excellence Award.
