SUMMARY

Dedicated Chemical Lab Technician with over 5 years of experience in industrial settings. Proven ability to conduct complex chemical analyses and experiments, ensuring compliance with safety and quality standards. Skilled in using advanced laboratory equipment and performing precise measurements. My background includes working with diverse chemical compounds to develop innovative solutions for production processes.

WORK EXPERIENCE

Junior Chemical Lab Technician ChemTech Innovations

Jan 2023 - Present

- Conducted routine chemical tests to ensure product quality and consistency.
- Assisted in the development of new chemical formulations, optimizing processes.
- Maintained laboratory equipment and ensured compliance with safety regulations.
- Documented experimental results and provided reports for team review.
- Collaborated with the quality assurance team to implement improvements.
- Trained new staff on laboratory procedures and safety protocols.

Chemical Lab Technician EcoChem Solutions

Jan 2020 - Dec 2022

- Performed detailed chemical analyses using chromatographic techniques.
- Developed and implemented standard operating procedures for lab processes.
- Monitored and recorded environmental impact of chemical substances.
- Collaborated with engineers to improve product formulations.
- Utilized statistical software to analyze experimental data and trends.
- Provided support for regulatory submissions and compliance audits.

EDUCATION

Bachelor of Science in Chemistry, University of Science, 2018

Sep 2019 - Oct 2020
