MICHAEL ANDERSON

SENIOR REGULATORY SCIENTIST

I am an accomplished Chemical Regulatory Scientist with a focus on the agricultural sector, drawing on over 10 years of experience in ensuring compliance for agrochemical products. My expertise encompasses a broad range of regulatory requirements, including FIFRA and EPA regulations, which I have successfully navigated to help companies bring safe and effective products to market.

PROFESSIONAL EXPERIENCE

AgroTech Solutions

Mar 2018 - Present

Senior Regulatory Scientist

- Managed the regulatory submission process for new agrochemical products, reducing approval timelines by 20%.
- Conducted comprehensive risk assessments to ensure compliance with EPA and state regulations.
- Collaborated with product development teams to align new formulations with regulatory standards.
- Developed and implemented training programs for staff on regulatory compliance best practices.
- Presented regulatory updates to executive leadership, influencing strategic product decisions.
- Monitored environmental regulations to ensure ongoing product compliance.

FarmChem International

Dec 2015 - Jan 2018

Regulatory Affairs Manager

- Oversaw the regulatory compliance of a portfolio of 30 agrochemicals.
- Established processes for efficient regulatory submissions and compliance tracking.
- Engaged with regulatory agencies to advocate for product approvals.
- Led cross-functional teams in the development of compliant marketing materials.
- Conducted audits to assess compliance with internal and external regulations.
- Developed a database for tracking regulatory changes and their impacts on product lines.

ACHIEVEMENTS

- Successfully led the approval of 15 new agrochemical products in a competitive market.
- Recognized for excellence in compliance management with a company award.
- Developed a best practices guide for regulatory submissions adopted company-wide.
