WORK EXPERIENCE

Regulatory Affairs Consultant 2020-2023
ChemReg Solutions

- Guided clients through the REACH registration process, successfully registering over 25 chemical substances.
- Developed compliance strategies that reduced potential liabilities by 30% for clients.
- Conducted training sessions on regulatory requirements, improving client understanding and compliance rates.
- Collaborated with cross-functional teams to ensure products met safety and regulatory standards prior to launch.
- Reviewed and prepared safety data sheets (SDS) for compliance with GHS standards.
- Maintained up-to-date knowledge of regulatory changes, providing timely updates to clients.

Compliance Analyst 2019-2020
Global Chemical Corp

- Assisted in the preparation of regulatory submissions, achieving a 95% approval rate.
- Conducted internal audits to assess compliance with chemical regulations, identifying areas for improvement.
- Collaborated with product development teams to ensure all new products met regulatory standards before market launch.
- Drafted internal compliance reports for senior management review, leading to improved compliance practices.
- Engaged with regulatory agencies to facilitate product approvals and clarify requirements.
- Established and maintained a comprehensive database of regulatory requirements and compliance status.

ACHIEVEMENTS

- Successfully led a project that resulted in the registration of 10 new chemical products within one year.
- Recognized for excellence in client service, receiving the 'Client Advocate Award' in 2019.
- Developed a proprietary compliance tracking system that improved efficiency by 40%.
