

# MICHAEL ANDERSON

## Public Interest Family Law Attorney

Respected Child Custody Lawyer with a background in public interest law, dedicated to advocating for underserved families experiencing custody challenges. With over 12 years of experience, demonstrates a profound commitment to social justice and equity in family law. Expertise in representing low-income clients and navigating the complexities of the legal system to ensure fair outcomes.

### WORK EXPERIENCE

#### Public Interest Family Law Attorney

2020-2023

Justice for Families Initiative

- Provided legal representation for low-income families in custody disputes.
- Conducted community education workshops on family law rights.
- Collaborated with social service agencies to support client needs.
- Managed a caseload of over 50 active custody cases simultaneously.
- Advocated for policy changes to benefit underserved populations.
- Facilitated access to legal resources for marginalized communities.

#### Family Law Staff Attorney

2019-2020

Community Legal Services

- Assisted clients in understanding their legal rights in custody matters.
- Drafted legal documents and provided representation in court.
- Engaged in outreach to promote legal services in the community.
- Participated in collaborative efforts to improve family law services.
- Conducted intake interviews to assess client eligibility for services.
- Provided mentorship to junior staff on handling family law cases.

### ACHIEVEMENTS

- Received the "Advocate of the Year" award from the State Bar for public service.
- Successfully represented over 100 families in custody cases.
- Organized community events that educated over 1,000 families on their rights.
