# Michael Anderson

## STEM EARLY CHILDHOOD EDUCATOR

Enthusiastic Child Development Educator with a focus on STEM education and its integration into early childhood learning. With over 4 years of experience, I have developed programs that ignite curiosity and problem-solving skills in young learners. My teaching philosophy emphasizes hands-on learning and discovery, encouraging children to ask questions and explore their interests.

## EXPERIENCE

### STEM EARLY CHILDHOOD EDUCATOR

Discovery Learning Academy

2016 - Present

- Designed and implemented a STEM curriculum that resulted in a 50% increase in student engagement.
- Facilitated hands-on experiments that nurtured critical thinking and problem-solving skills.
- Organized family STEM nights that fostered community involvement in children's learning.
- Trained staff on incorporating STEM activities into daily lesson plans.
- Evaluated student progress and adapted curriculum based on assessment results.
- Created resource materials for parents to extend learning at home.

### CHILD DEVELOPMENT EDUCATOR

Rainbow Preschool

2014 - 2016

- Developed engaging lesson plans that integrated science and math concepts into play.
- Monitored children's progress and communicated with parents to support learning objectives.
- Implemented interactive activities that promoted teamwork and collaboration.
- Coordinated with local organizations to bring in guest speakers for educational workshops.
- Maintained a safe and stimulating classroom environment conducive to learning.
- Participated in ongoing professional development to enhance teaching practices.
