WORK EXPERIENCE

Community Nutrition Program Manager

2020-2023

Healthy Communities Initiative

- Developed community-based nutrition programs that targeted low-income families.
- Organized workshops and events to educate families about healthy eating.
- Collaborated with local health clinics to provide nutrition education.
- Utilized social media campaigns to promote nutrition program participation.
- Conducted assessments to identify community nutrition needs and gaps.
- Established partnerships with local businesses to support program initiatives.

Nutrition Outreach Coordinator

2019-2020

Community Health Agency

- Coordinated outreach efforts to raise awareness of child nutrition programs.
- Developed educational materials for diverse audiences, including families and schools.
- Facilitated community discussions to gather input on nutrition program needs.
- Conducted surveys to assess program effectiveness and community impact.
- Collaborated with local organizations to host health fairs and nutrition events.
- Trained volunteers on nutrition education and program delivery.

ACHIEVEMENTS

- Increased participation in nutrition programs by 60% within the first year.
- Recognized for outstanding community service by local health organizations.
- Successfully implemented a nutrition education initiative that reached over 500 families.
