### ACHIEVEMENTS

- Instrumental in passing landmark legislation that improved foster care services for over 10,000 children.
- Received the National Advocacy Award for exceptional leadership in child welfare reform.
- Developed a comprehensive toolkit for child welfare agencies that increased efficiency by 25%.

### PROFILE

Accomplished Child Welfare Consultant with a strong focus on systemic change and advocacy for marginalized communities. Over fifteen years of experience in child protection services, specializing in the development and implementation of innovative interventions that address the complexities of family dynamics. Recognized for fostering collaborative relationships among stakeholders, including government entities, non-profits, and community organizations.

### EXPERIENCE

#### LEAD CHILD WELFARE CONSULTANT

##### National Child Welfare Coalition

2016 - Present

- Directed national initiatives aimed at reforming child welfare policies to better serve underrepresented populations.
- Conducted extensive research on best practices in child protection and disseminated findings to stakeholders.
- Facilitated workshops for policymakers on the importance of inclusive practices in child welfare.
- Collaborated with cross-sector teams to develop comprehensive strategies for systemic change.
- Evaluated program outcomes and made data-driven recommendations for improvement.
- Advocated for legislative changes that advanced the rights of children in foster care.

#### CHILD PROTECTION OFFICER

##### State Department of Family Services

2014 - 2016

- Investigated reports of child abuse and neglect, ensuring timely interventions to protect vulnerable children.
- Developed and maintained relationships with families to provide ongoing support and resources.
- Collaborated with law enforcement and legal entities to ensure the safety of children in crisis.
- Trained new staff on child welfare protocols and investigative techniques.
- Participated in community forums to raise awareness about child protection issues.
- Implemented a feedback system to improve client interactions and service satisfaction.
