

MICHAEL ANDERSON

Mental Health Program Director

Proactive Child Welfare Executive with over 8 years of experience in mental health integration within child welfare systems. Specialized in developing programs that address the mental health needs of children and families, ensuring access to comprehensive services. Proficient in collaborating with mental health professionals and child welfare agencies to create integrated service models that promote holistic care.

WORK EXPERIENCE

Mental Health Program Director 2020-2023

Integrated Child Services

- Designed and implemented mental health programs for children and families involved in child welfare.
- Collaborated with therapists and social workers to provide comprehensive care.
- Conducted assessments to identify the mental health needs of children.
- Facilitated training for staff on mental health best practices.
- Developed outreach strategies to increase awareness of mental health resources.
- Evaluated program effectiveness and adjusted services based on outcomes.

Child Welfare Case Manager 2019-2020

Child and Family Services

- Managed cases involving children with mental health challenges.
- Developed treatment plans in collaboration with families and mental health providers.
- Advocated for children's access to mental health services.
- Monitored progress and adjusted plans based on family feedback.
- Coordinated services between child welfare and mental health agencies.
- Prepared reports on case outcomes for stakeholders.

ACHIEVEMENTS

- Increased access to mental health services for children by 40% through program initiatives.
- Received recognition for innovative mental health integration from the State Mental Health Board.
- Authored a guide on best practices for mental health in child welfare settings.
