PROFILE

Accomplished Child Welfare Monitoring and Evaluation Manager with a robust background in public health and child welfare systems. Expertise in program design, implementation, and evaluation, with a focus on data integrity and stakeholder collaboration. Demonstrated ability to lead cross-functional teams in developing and executing comprehensive evaluation strategies that drive program improvements.

EXPERIENCE

MONITORING AND EVALUATION MANAGER

National Child Welfare Agency

2016 - Present

- Led the development of a national monitoring and evaluation framework for child welfare programs.
- Conducted training sessions for staff on data collection techniques and evaluation best practices.
- Analyzed program data to identify trends and recommend actionable improvements.
- Collaborated with external evaluators to ensure objectivity in program assessments.
- Presented evaluation findings to stakeholders at annual conferences to drive policy changes.
- Managed a team of evaluators to oversee ongoing program assessments and reporting.

RESEARCH ANALYST

Child Welfare Research Institute

2014 - 2016

- Conducted qualitative and quantitative research to inform child welfare policies.
- Developed comprehensive reports on child welfare trends and program efficacy.
- Engaged with community stakeholders to gather insights on local child welfare issues.
- Utilized statistical software to analyze large datasets and generate meaningful conclusions.
- Assisted in the preparation of grant proposals to secure funding for child welfare research.
- Facilitated focus groups to obtain feedback on child welfare initiatives from affected families.
