UNIVERSITY OF CHICAGO**

ACHIEVEMENTS

- Led a successful advocacy campaign that resulted in new legislation protecting children's rights.
- Received the Policy Innovation Award for groundbreaking research in child welfare.
- Published influential studies in peer-reviewed journals on child welfare policy impacts.

Results-driven and knowledgeable Child Welfare Policy Analyst with a focus on social policy and child protection systems. Extensive experience working with government agencies and non-profit organizations to enhance child welfare policies through rigorous research and analysis. Expertise in stakeholder engagement, policy advocacy, and program evaluation. Proven ability to develop and implement strategic initiatives that effectively address the needs of children and families in crisis.

WORK EXPERIENCE

POLICY DEVELOPMENT SPECIALIST

Child Welfare League of America

2020 - 2025

- Developed policy recommendations based on comprehensive research and stakeholder feedback.
- Facilitated workshops to educate policymakers on effective child welfare strategies.
- Collaborated with state agencies to align local practices with national standards.
- Analyzed program data to identify trends and inform future policy decisions.
- Engaged in advocacy efforts to promote legislative changes that benefit children.
- Produced reports that highlighted the impact of current policies on child welfare outcomes.

RESEARCH ANALYST

Institute for Child Development

2015 - 2020

- Conducted research on the effectiveness of child welfare interventions in diverse communities.
- Worked with interdisciplinary teams to develop evidence-based policy recommendations.
- Maintained up-to-date knowledge of current child welfare legislation and policies.
- Assisted in preparing grant proposals to secure funding for research projects.
- Presented research findings to stakeholders to influence policy direction.
- Contributed to the development of a national database for tracking child welfare outcomes.
