# Michael Anderson

## POLICY ANALYST

Dynamic and passionate Child Welfare Policy Analyst with a unique blend of academic knowledge and practical experience in child protection and welfare systems. Committed to improving the lives of children through effective policy analysis and advocacy. Skilled in conducting thorough research, evaluating program effectiveness, and collaborating with stakeholders to drive impactful change.

## EXPERIENCE

### POLICY ANALYST

Children First Foundation

2016 - Present

- Analyzed child welfare policies to recommend improvements based on data-driven insights.
- Collaborated with community organizations to enhance service delivery for at-risk families.
- Conducted surveys and focus groups to gather stakeholder feedback on policy effectiveness.
- Presented findings to policymakers to advocate for necessary changes in child welfare legislation.
- Developed outreach materials to raise awareness of child welfare issues within the community.
- Participated in strategic planning sessions to align organizational goals with state priorities.

### RESEARCH ASSOCIATE

Child Welfare Research Institute

2014 - 2016

- Supported research initiatives focused on child welfare policy impacts on underserved populations.
- Assisted in analyzing data to evaluate program outcomes and effectiveness.
- Contributed to the development of policy briefs that informed organizational strategy.
- Collaborated with academic partners to publish research findings in reputable journals.
- Facilitated workshops on child welfare topics for community stakeholders.
- Maintained accurate records of research activities and outcomes.
