MICHAEL ANDERSON

RESEARCH COORDINATOR

Dynamic Child Welfare Research Analyst with a focus on child protection policies and their evaluation. Expertise includes conducting rigorous research to identify effective interventions and support systems within the child welfare landscape. Demonstrates an ability to navigate complex regulatory frameworks and advocate for policy reforms that prioritize child safety and wellbeing.

PROFESSIONAL EXPERIENCE

Child Welfare League of America   *Mar 2018 - Present*
Research Coordinator

- Coordinated statewide research initiatives to evaluate child welfare services.
- Designed surveys and assessment tools to gather data from service providers.
- Analyzed qualitative and quantitative data to inform policy advocacy efforts.
- Served as a liaison between researchers and practitioners to enhance collaboration.
- Managed project timelines and deliverables to ensure timely completion of studies.
- Facilitated workshops to disseminate research findings to community stakeholders.

State Department of Child Services   *Dec 2015 - Jan 2018*
Data Analyst

- Conducted data analysis to track child welfare outcomes across various programs.
- Developed dashboards to visualize data trends for stakeholders.
- Collaborated with IT teams to enhance data management systems.
- Participated in cross-departmental initiatives to improve data sharing practices.
- Assisted in preparing reports for state audits and compliance reviews.
- Provided training on data analytics tools to enhance team capacity.

ACHIEVEMENTS

- Instrumental in developing a research framework adopted by state agencies.
- Recognized with the Innovator Award for contributions to child welfare research.
- Authored a report that led to a statewide policy change benefiting at-risk children.
