PROFILE

Accomplished Child Welfare Trainer with a robust background in social services and educational methodologies. Leveraging over 12 years of experience in designing and executing training strategies that enhance the competencies of child welfare professionals. Expertise lies in integrating evidence-based practices into training frameworks, ensuring that participants are equipped with the latest knowledge and skills necessary for effective child advocacy.

EXPERIENCE

LEAD CHILD WELFARE TRAINER

Children's Advocacy Center

2016 - Present

- Developed and implemented an annual training curriculum for new child welfare employees.
- Conducted over 100 training sessions focusing on child protection laws and best practices.
- Evaluated training effectiveness through participant feedback and performance metrics.
- Collaborated with external organizations to enhance training content and delivery.
- Mentored junior trainers, providing guidance on instructional design and facilitation techniques.
- Initiated a feedback loop with participants to continuously improve training materials.

SOCIAL SERVICES EDUCATOR

Local Community College

2014 - 2016

- Taught courses on child welfare policies and practices to undergraduate students.
- Designed course materials and assessments that align with learning objectives.
- Facilitated discussions on contemporary issues in child welfare.
- Advised students on career paths in child welfare and social services.
- Organized community engagement projects that connected students with local agencies.
- Conducted research on the effectiveness of educational interventions in social work education.
