WORK EXPERIENCE

Chiller Installation Technician

2020-2023

TechCool LLC

- Managed the installation of advanced chiller systems in industrial facilities.
- Conducted performance testing to ensure compliance with specifications.
- Collaborated with engineering teams to refine system designs for energy efficiency.
- Provided on-site training for operators on new equipment functionalities.
- Assisted in the development of maintenance protocols tailored to specific systems.
- Maintained detailed records of installation processes and outcomes.

Chiller Maintenance Technician

2019-2020

Refrigeration Experts

- Performed scheduled maintenance on chiller systems to prevent failures.
- Utilized advanced diagnostic tools to troubleshoot and repair issues.
- Documented maintenance activities and reported findings to management.
- Engaged in continuous training to enhance technical knowledge and skills.
- Worked closely with clients to ensure satisfaction with service outcomes.
- Participated in safety drills to maintain a safe working environment.

ACHIEVEMENTS

- Enhanced operational efficiency by implementing a new maintenance strategy.
- Received commendation for outstanding customer service during critical projects.
- Instrumental in achieving a 20% reduction in service-related complaints.
