MICHAEL ANDERSON

COMPLIANCE MANAGER

Accomplished Circular Battery Economy Specialist with extensive experience in regulatory compliance and environmental policy development. Expertise in navigating complex legal frameworks to ensure adherence to sustainability standards within the battery industry. Proven ability to lead initiatives that align operational practices with environmental regulations, thereby minimizing risk and enhancing corporate reputation. Strong background in stakeholder engagement, facilitating dialogue between industry leaders and regulatory agencies.

PROFESSIONAL EXPERIENCE

Sustainable Batteries Inc.

Mar 2018 - Present

Compliance Manager

- Ensured compliance with local and international battery disposal regulations.
- Conducted audits to assess adherence to environmental standards.
- Developed training materials for staff on compliance procedures.
- Collaborated with legal teams to interpret regulatory changes.
- Represented the company in industry forums on sustainability issues.
- Implemented corrective action plans to address compliance gaps.

Environmental Advocacy Group

Dec 2015 - Jan 2018

Policy Advisor

- Developed policy recommendations for sustainable battery management.
- Engaged with stakeholders to promote regulatory best practices.
- Conducted research on the impacts of legislation on the battery industry.
- Facilitated workshops to educate policymakers on circular economy principles.
- Authored position papers to influence legislative agendas.
- Built coalitions with industry stakeholders to drive policy change.

ACHIEVEMENTS

- Successfully led compliance initiatives that resulted in zero violations for three consecutive years.
- Contributed to the passage of key legislation enhancing battery recycling standards.
- Received the Excellence in Advocacy Award for impactful policy contributions.
