

MICHAEL ANDERSON

Environmental Claims Adjuster

Proficient claims adjuster with a focus on environmental and liability claims. Extensive experience in evaluating claims related to environmental damages and liability exposures. Strong analytical skills and a comprehensive understanding of environmental regulations and compliance standards. Proven ability to collaborate with environmental consultants and legal teams to assess claims and develop effective resolution strategies.

WORK EXPERIENCE

Environmental Claims Adjuster

2020-2023

EcoSure Insurance

- Evaluated environmental claims, including pollution and liability issues.
- Conducted site investigations and collaborated with environmental experts for accurate assessments.
- Negotiated settlements with claimants while ensuring compliance with environmental regulations.
- Developed comprehensive reports outlining findings and recommendations for management.
- Maintained up-to-date knowledge of environmental laws and regulations affecting claims.
- Achieved a 95% resolution rate for environmental claims within established timelines.

Claims Consultant

2019-2020

GreenShield Insurance

- Provided expert consultation on environmental claims and regulatory compliance.
- Assisted clients in navigating complex claims involving environmental liabilities.
- Conducted training sessions on environmental regulations for claims adjusters.
- Analyzed claims data to identify trends and recommend policy improvements.
- Collaborated with legal teams to prepare documentation for litigation.
- Improved claims processing efficiency through the implementation of new tracking systems.

ACHIEVEMENTS

- Received 'Excellence in Service' award for outstanding performance in claims management.
- Successfully resolved over 150 complex environmental claims with a high client satisfaction rate.
- Developed training materials that improved knowledge of environmental regulations among staff.
