WORK EXPERIENCE

Youth Climate Program Manager

2020-2023

Future Generations Alliance

- Developed and managed youth climate action programs that empower students.
- Facilitated workshops on climate advocacy and leadership skills.
- Utilized digital tools to enhance program delivery and participant engagement.
- Coordinated events to showcase youth-led climate projects and initiatives.
- Collaborated with schools to integrate climate education into extracurricular activities.
- Evaluated program outcomes to inform future programming decisions.

Environmental Education Facilitator

2019-2020

Youth for Nature

- Designed educational content focused on environmental issues for youth audiences.
- Conducted workshops and field trips to connect students with nature.
- Engaged students in hands-on projects that promote sustainability.
- Collaborated with educators to enhance climate literacy in school curricula.
- Organized community service projects focused on local environmental challenges.
- Implemented feedback systems to measure student engagement and learning.

ACHIEVEMENTS

- Increased youth participation in climate programs by 75% in one year.
- Recognized for outstanding contributions to youth climate advocacy at a national conference.
- Secured partnerships with local organizations to expand program reach.
