# Michael Anderson

## POLICY ADVISOR

Strategic Climate Smart Agriculture Extension Specialist with a wealth of experience in policy advocacy and program design. Proven expertise in navigating the complexities of agricultural policy frameworks and their implications for sustainable farming practices. Adept at engaging with high-level stakeholders, including government officials, to influence policy decisions that support climate-smart agriculture initiatives.

## EXPERIENCE

### POLICY ADVISOR

National Agricultural Policy Institute

2016 - Present

- Developed policy recommendations to support climate resilience in agriculture.
- Engaged with policymakers to advocate for sustainable agricultural practices.
- Conducted analysis of agricultural policies and their impacts on local farmers.
- Facilitated stakeholder consultations to gather input on policy initiatives.
- Prepared briefing materials for government officials on climate issues.
- Monitored implementation of policies and assessed their effectiveness.

### PROGRAM MANAGER

Climate Action Network

2014 - 2016

- Designed and managed programs aimed at promoting sustainable agriculture.
- Conducted workshops with farmers to educate on policy changes.
- Collaborated with NGOs to align efforts in climate advocacy.
- Monitored program outcomes and reported to funding agencies.
- Developed partnerships with research institutions to support initiatives.
- Presented at national conferences on the intersection of policy and agriculture.
