Enthusiastic Climate Smart Agriculture Extension Specialist with a strong commitment to enhancing agricultural practices through education and community involvement. Focused on promoting sustainable farming techniques and supporting farmers in navigating climate challenges. Experienced in developing and facilitating workshops that empower farmers with knowledge and skills. Strong advocate for collaborative approaches that unite farmers, researchers, and policy-makers in pursuit of climate-smart solutions.

WORK EXPERIENCE

Agricultural Extension Officer | Local Farming Association

Jan 2022 – Present

- Conducted outreach programs to educate farmers about climate-smart practices.
- Organized workshops on sustainable agriculture methods for local communities.
- Collaborated with local businesses to enhance farm-to-table initiatives.
- Assisted farmers with implementing environmentally friendly practices.
- Evaluated the effectiveness of educational programs and reported findings.
- Supported community projects aimed at improving agricultural sustainability.

Community Organizer | Green Earth Network

Jul 2019 – Dec 2021

- Engaged with community members to promote sustainable agricultural practices.
- Facilitated discussions on climate impacts on local farming.
- Developed partnerships with local organizations to support farmers.
- Coordinated events to raise awareness about sustainable agriculture.
- Monitored and assessed the outcomes of community initiatives.
- Provided resources and support for farmers seeking to adopt new techniques.
