WORK EXPERIENCE

Community Agriculture Coordinator

2020-2023

Local Harvest Project

- Coordinated community programs focused on organic farming education.
- Established partnerships with local organizations to enhance program outreach.
- Facilitated training sessions for farmers on sustainable agricultural practices.
- Managed project budgets and ensured compliance with funding requirements.
- Monitored program outcomes and reported on impact to stakeholders.
- Engaged with local governments to advocate for supportive agricultural policies.

Agricultural Extension Agent

2019-2020

State Agricultural Office

- Provided technical assistance to farmers transitioning to organic methods.
- Developed educational programs tailored to local farming needs.
- Organized field days to showcase sustainable farming practices.
- Collaborated with research institutions to deliver cutting-edge information.
- Monitored and evaluated the effectiveness of extension programs.
- Promoted community engagement through participatory approaches.

ACHIEVEMENTS

- Increased community participation in organic programs by 60%.
- Awarded 'Community Advocate of the Year' by the State Agricultural Council.
- Developed a successful mentorship program for new farmers.
