WORK EXPERIENCE

Community Climate Engagement Coordinator

2020-2023

Local Climate Action Network

- Designed and executed community-based climate action programs targeting local resilience.
- Facilitated workshops and training sessions for community members on sustainable practices.
- Coordinated volunteer efforts for local environmental restoration projects.
- Collaborated with schools to incorporate climate education into curricula.
- Engaged local businesses to promote sustainable practices and partnerships.
- Monitored program outcomes and reported on community impact.

Climate Outreach Specialist

2019-2020

Green Community Coalition

- Developed outreach strategies to raise awareness of climate issues in the community.
- Organized community events focused on climate education and engagement.
- Collaborated with local governments to align community initiatives with climate goals.
- Created educational materials to inform residents about climate action opportunities.
- Established partnerships with local organizations to enhance program reach.
- Evaluated program effectiveness and adjusted strategies accordingly.

ACHIEVEMENTS

- Increased community participation in climate programs by 50% over two years.
- Received the 'Community Champion' award from the Local Environmental Council.
- Successfully secured funding for three major community climate initiatives.
