MICHAEL ANDERSON

GERIATRIC REHABILITATION COORDINATOR

Versatile Clinical Allied Health Practitioner with a specialization in geriatric care, bringing over 10 years of experience in improving the quality of life for elderly patients. Proficient in assessing complex health needs and implementing comprehensive care plans tailored to enhance mobility and independence. Experienced in working within multidisciplinary teams to provide holistic care, focusing on both physical rehabilitation and emotional support.

PROFESSIONAL EXPERIENCE

Senior Care Wellness Center

Mar 2018 - Present

Geriatric Rehabilitation Coordinator

- Led a team of therapists in developing individualized rehabilitation programs for elderly patients.
- Conducted comprehensive assessments to identify patient needs and set measurable goals.
- Collaborated with families to discuss care plans and address concerns regarding treatment.
- Implemented fall prevention strategies that reduced incidents by 30% within one year.
- Provided training to staff on effective communication techniques with geriatric populations.
- Organized community health seminars to promote awareness of geriatric issues.

ElderCare Rehabilitation Services

Dec 2015 - Jan 2018

Clinical Allied Health Practitioner

- Delivered personalized therapy sessions focusing on improving mobility and daily living skills.
- Utilized assistive devices and adaptive techniques to enhance patient independence.
- Maintained accurate documentation of treatment plans and patient progress in EHR.
- Engaged with multidisciplinary teams to coordinate comprehensive patient care.
- Educated families on strategies to support their loved ones' rehabilitation efforts.
- Participated in case reviews and contributed to quality improvement initiatives.

ACHIEVEMENTS

- Received the 'Excellence in Geriatric Care' award in 2020 for outstanding service.
- Increased patient mobility outcomes by 40% through improved rehabilitation techniques.
- Authored a guide on elderly care that was recognized by health organizations.
