EDUCATION

DOCTOR OF DENTAL SURGERY (DDS),
PEDIATRIC DENTISTRY RESIDENCY, 2016

ACHIEVEMENTS

- Awarded 'Best Pediatric Dentist' by the local parenting magazine in 2021.
- Increased patient compliance for routine visits by implementing engaging educational programs.
- Successfully reduced treatment anxiety in children, resulting in a 25% increase in treatment acceptance rates.

PROFILE

Enthusiastic Clinical Dentist with over 5 years of experience specializing in pediatric dentistry. Recognized for my ability to connect with children and make dental visits enjoyable, I have a strong commitment to fostering a positive dental experience from an early age. My practice focuses on preventive care, education, and early intervention, ensuring that children develop healthy habits that last a lifetime.

EXPERIENCE

PEDIATRIC DENTIST

Kids' Dental Care

2016 - Present

- Provided comprehensive dental care to children, focusing on preventive and restorative services.
- Developed individualized treatment plans that cater to the unique needs of each child.
- Utilized child-friendly communication techniques to ease anxiety and encourage cooperation.
- Educated parents on the importance of oral hygiene and regular dental visits.
- Implemented a reward system for children to promote positive dental behavior and reduce fear.
- Conducted school-based oral health presentations to educate children and parents.

ASSOCIATE DENTIST

Family Dentistry Group

2014 - 2016

- Assisted in providing dental care for patients of all ages with a focus on family-oriented services.
- Performed routine checkups, cleanings, and restorative procedures in a high-volume practice.
- Collaborated with dental hygienists and assistants to improve patient workflow.
- Participated in the development of educational materials for patients about oral health.
- Maintained compliance with infection control procedures and regulations.
- Contributed to a significant reduction in patient wait times through efficient scheduling practices.
