Michael Anderson

EMERGENCY DENTIST

Dynamic Clinical Dentist with over 7 years of experience in emergency and trauma dentistry. I am adept at providing immediate care and treatment in high-pressure situations, ensuring that patients receive the best possible outcomes. My expertise includes performing complex extractions, managing dental trauma, and implementing protocols for emergency care. I prioritize patient safety and comfort, employing advanced techniques to minimize pain and anxiety.

EXPERIENCE

EMERGENCY DENTIST

Urgent Care Dental Clinic

2016 - Present

- Provided urgent dental care for patients experiencing dental emergencies.
- Managed trauma cases, including fractures and dislocations, with precision and care.
- Implemented triage protocols to prioritize patient treatment based on severity.
- Educated patients on post-emergency care and preventive measures.
- Collaborated with medical professionals to ensure comprehensive patient care.
- Maintained accurate documentation of all emergency cases and treatments.

GENERAL DENTIST

Community Dental Center

2014 - 2016

- Provided routine dental care, including exams, cleanings, and restorative procedures.
- Assisted in emergency cases, providing immediate care as needed.
- Educated patients on the importance of oral health and preventive care.
- Maintained a high standard of care, achieving a 95% patient satisfaction rate.
- Participated in community outreach programs to promote oral health awareness.
- Collaborated with a team of dental professionals to enhance patient care and treatment outcomes.
