# MICHAEL ANDERSON

## SENIOR CLINICAL INFORMATICS CONSULTANT

Accomplished Clinical Informatics Analyst with a proven history of enhancing clinical operations through innovative informatics solutions. Over twelve years of expertise in the healthcare domain, with a focus on data management, interoperability, and system optimization. Recognized for the ability to bridge the gap between clinical and technical teams, ensuring that informatics solutions align with organizational goals.

## **PROFESSIONAL EXPERIENCE**

### **Global Health Solutions**

*Mar 2018 - Present*

Senior Clinical Informatics Consultant

- Directed the implementation of a comprehensive informatics strategy across multiple healthcare facilities.
- Created robust data governance policies that improved data quality and compliance rates.
- Facilitated training sessions for clinical leadership on informatics best practices.
- Collaborated with vendors to customize informatics tools to meet specific clinical needs.
- Conducted impact assessments to evaluate the effectiveness of informatics interventions.
- Mentored junior analysts, fostering their professional development in informatics.

### **Harmony Health Group**

*Dec 2015 - Jan 2018*

Clinical Informatics Analyst

- Analyzed clinical data to identify trends and develop actionable insights for performance improvement.
- Supported the integration of EHR systems, enhancing data sharing across departments.
- Developed and maintained dashboards for real-time clinical performance tracking.
- Engaged with clinical staff to identify barriers to informatics tool utilization.
- Coordinated with IT to ensure system updates aligned with clinical workflows.
- Presented findings to stakeholders, driving strategic initiatives in patient care.

## **ACHIEVEMENTS**

- Instrumental in a project that achieved a 40% reduction in clinical errors.
- Recognized as 'Employee of the Year' for exceptional contributions to informatics initiatives.
- Published multiple articles on the impact of informatics in healthcare journals.
