WORK EXPERIENCE

Clinical Laboratory Technologist

2020-2023

Community Health Clinic

- Performed routine laboratory tests for diverse patient populations, ensuring accuracy and compliance.
- Engaged in community outreach programs to educate the public on laboratory services.
- Collaborated with healthcare professionals to discuss laboratory findings and implications for care.
- Assisted in maintaining laboratory accreditation and quality control processes.
- Participated in training sessions for new staff on lab procedures and safety practices.
- Contributed to health fairs and events promoting preventive health screenings.

Laboratory Assistant

2019-2020

Local Health Department

- Supported laboratory operations by preparing specimens for testing and analysis.
- Maintained laboratory equipment and ensured compliance with health regulations.
- Conducted routine quality checks on laboratory processes and procedures.
- Helped organize community health screenings and educational workshops.
- Maintained accurate records of laboratory activities and results for audits.
- Assisted in training new volunteers on laboratory safety protocols.

ACHIEVEMENTS

- Received commendation for outstanding service to the community through health initiatives.
- Participated in a project that improved laboratory turnaround times by 10%.
- Contributed to a community health report that highlighted local health trends.
