# MICHAEL ANDERSON

## SURGICAL NURSE

Results-oriented Clinical Nurse with over 10 years of experience in surgical nursing. Proven expertise in preoperative and postoperative care, ensuring patient safety and comfort throughout the surgical process. Adept at collaborating with surgeons and surgical teams to facilitate efficient operations and minimize patient complications. Strong focus on patient education, helping individuals understand their surgical procedures and recovery expectations.

## **PROFESSIONAL EXPERIENCE**

### **Metro Surgical Center**

*Mar 2018 - Present*

#### Surgical Nurse

- Assisted in over 300 surgical procedures, ensuring adherence to safety protocols.
- Monitored patients in recovery and addressed any complications immediately.
- Educated patients about surgical procedures and postoperative care.
- Collaborated with the surgical team to streamline processes and reduce operation times.
- Maintained sterile environments and adhered to infection control standards.
- Participated in training new staff on surgical protocols and patient care.

### **City Hospital**

*Dec 2015 - Jan 2018*

#### Operating Room Nurse

- Prepared the operating room for surgical procedures, ensuring all instruments were sterile.
- Assisted surgeons during procedures by providing necessary instruments and support.
- Monitored patient vitals during surgery and communicated any concerns to the team.
- Educated patients pre-surgery on what to expect during their procedure.
- Conducted preoperative assessments to ensure patient readiness for surgery.
- Participated in quality assurance initiatives to improve surgical outcomes.

## **ACHIEVEMENTS**

- Awarded 'Nurse of the Year' for outstanding contributions to surgical patient care.
- Implemented a new patient tracking system that improved recovery outcomes by 15%.
- Facilitated a workshop on surgical nursing best practices attended by over 100 nurses.
