EDUCATION

**BACHELOR OF SCIENCE IN NURSING,
SURGICAL NURSING FOCUS, HEALTH
UNIVERSITY, 2014**

ACHIEVEMENTS

- Awarded the Best Educator Award in 2021 for outstanding contributions to nursing education in the surgical department.
- Successfully implemented a training program that decreased surgical site infections by 15%.
- Contributed to a research publication on innovative teaching methods in surgical nursing education.

Innovative Clinical Nurse Educator with a strong background in surgical nursing and over 9 years of experience in training nursing staff in perioperative care. My unique expertise lies in bridging the gap between clinical practice and education, ensuring that nurses are well-prepared to provide safe and effective care in the operating room.

WORK EXPERIENCE

CLINICAL NURSE EDUCATOR - PERIOPERATIVE SERVICES

Surgical Center of Excellence

2020 - 2025

- Developed and implemented perioperative education programs that increased staff competency by 35%.
- Conducted training sessions on new surgical technologies, ensuring staff readiness for implementation.
- Evaluated training effectiveness through pre- and post-assessments, achieving a 92% competency improvement.
- Collaborated with surgeons to create simulation-based learning experiences for nursing staff.
- Mentored new educators in curriculum development and instructional techniques.
- Implemented a feedback loop with nursing staff to continuously improve training resources.

SURGICAL NURSE

City Hospital Surgery Department

2015 - 2020

- Assisted in over 300 surgical procedures, ensuring adherence to aseptic techniques and patient safety protocols.
- Participated in the development of surgical care pathways to streamline patient care.
- Maintained accurate records of surgical procedures and outcomes, contributing to quality assurance efforts.
- Trained nursing students in the operating room environment, enhancing their practical skills.
- Conducted patient education on pre- and post-operative care, improving patient satisfaction scores.
- Engaged in research projects to evaluate surgical nursing practices and outcomes.
