ACHIEVEMENTS

- Implemented a new play therapy program that increased client engagement by 40% within the first year.
- Recognized for outstanding community service with a Youth Advocate Award in 2021.
- Successfully advocated for increased funding for mental health programs targeting youth services.

PROFILE

Compassionate Clinical Social Worker with a focus on child and adolescent mental health, possessing over 8 years of experience in therapeutic settings. Expertise in developing engaging treatment plans that address the unique emotional and behavioral needs of young clients. Proven ability to establish rapport with children and families, enhancing therapeutic engagement and outcomes.

EXPERIENCE

CLINICAL SOCIAL WORKER

Sunshine Counseling Center

2016 - Present

- Provided individual and family therapy to children experiencing trauma and behavioral issues.
- Developed and implemented customized treatment plans incorporating play therapy techniques.
- Conducted workshops for parents on effective parenting strategies and mental health awareness.
- Collaborated with schools to create supportive environments for students with mental health needs.
- Facilitated support groups for parents of children with special needs.
- Monitored and documented client progress, adjusting interventions as necessary.

SOCIAL WORK ASSISTANT

Community Youth Services

2014 - 2016

- Supported licensed social workers in delivering services to at-risk youth and their families.
- Coordinated community resource referrals for families in need of housing and mental health services.
- Assisted in conducting assessments and developing case management plans.
- Organized recreational activities to promote social skills among youth clients.
- Maintained case files and documentation in compliance with privacy regulations.
- Participated in community outreach efforts to raise awareness about youth mental health issues.
