# MICHAEL ANDERSON

## CLINICAL SOCIAL WORKER

Results-oriented Clinical Social Worker with over 5 years of experience in the healthcare sector, specializing in mental health treatment for veterans and active military personnel. Proven ability to develop effective therapeutic relationships with clients facing PTSD, anxiety, and depression. Strong background in crisis intervention and case management, with a focus on delivering client-centered care.

## **PROFESSIONAL EXPERIENCE**

### **Veterans Affairs Hospital**

*Mar 2018 - Present*

Clinical Social Worker

- Conducted assessments and developed treatment plans for veterans experiencing mental health challenges.
- Facilitated individual and group therapy sessions focusing on PTSD and anxiety management.
- Collaborated with medical staff to ensure comprehensive care for clients with dual diagnoses.
- Provided crisis intervention services during acute mental health episodes.
- Coordinated support services for families of veterans, enhancing overall well-being.
- Developed resources and workshops to educate veterans about coping strategies and support networks.

### **Military Family Support Center**

*Dec 2015 - Jan 2018*

Social Work Intern

- Assisted in the development of support programs for military families coping with deployment-related stress.
- Conducted outreach to connect families with available mental health resources.
- Supported licensed social workers in case management and client follow-ups.
- Documented client interactions and maintained compliance with confidentiality standards.
- Participated in community events to promote awareness of military mental health issues.
- Provided logistical support for therapeutic workshops and family events.

## **ACHIEVEMENTS**

- Increased veteran participation in mental health programs by 25% through targeted outreach initiatives.
- Received a commendation from the Department of Veterans Affairs for exemplary client care in 2019.
- Developed a resource guide for families of veterans that improved access to support services.
