EDUCATION

**BACHELOR OF SCIENCE IN NURSING,
UNIVERSITY OF PEDIATRIC SCIENCES**

ACHIEVEMENTS

- Increased participant enrollment in pediatric trials by 40% through community outreach.
- Presented a paper on pediatric trial ethics at a national conference.
- Recognized for contributions to improving pediatric trial methodologies.

I am a passionate Clinical Trials Researcher specializing in pediatric studies, with over 7 years of experience in the clinical research field. My work focuses on understanding the effects of new medications on children, ensuring safety, and optimizing therapeutic approaches for young patients. I have developed a strong expertise in patient-centered research, emphasizing ethical considerations and family involvement in the trial process.

WORK EXPERIENCE

PEDIATRIC CLINICAL RESEARCH COORDINATOR

Children's Health Research Institute

2020 - 2025

- Coordinated pediatric clinical trials, ensuring compliance with ethical standards.
- Engaged with families to facilitate informed consent and participation.
- Developed age-appropriate educational materials for young participants.
- Collaborated with medical staff to monitor participant health and safety.
- Managed data collection and reporting for regulatory compliance.
- Prepared study updates for stakeholders and funding agencies.

CLINICAL RESEARCH ASSOCIATE

Pediatric Drug Development Group

2015 - 2020

- Supported the coordination of clinical trials focused on pediatric medications.
- Conducted site visits to ensure adherence to protocols and safety regulations.
- Assisted in the training of site staff on pediatric-specific trial procedures.
- Collected and analyzed data, presenting findings to senior researchers.
- Collaborated with pediatricians to enhance recruitment strategies.
- Developed and maintained study documentation for audits.
