SKILLS

- Cloud Backup Management
- Data Security
- Educational Compliance
- User Training
- System Integration
- Technical Support

EDUCATION

BACHELOR OF SCIENCE IN EDUCATIONAL TECHNOLOGY, UNIVERSITY OF LEARNING

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Increased backup success rates to 98% through improved processes and training.
- Awarded the Excellence in Service Award for contributions to data security in education.
- Successfully implemented a backup system that protected sensitive student information.

As a Cloud Backup Engineer with a focus on education technology, I have over 6 years of experience in developing and managing cloud backup solutions for academic institutions. My background includes a strong emphasis on data integrity and security in compliance with educational regulations. I have played a critical role in ensuring that student data is protected while also enabling easy access for authorized personnel.

EXPERIENCE

CLOUD BACKUP ADMINISTRATOR

Educational Tech Solutions

2016 - Present

- Designed and maintained cloud backup solutions for student data across multiple campuses.
