Analytical Cloud Compliance Engineer with over 7 years of experience in the telecommunications industry. Specializes in ensuring compliance with FCC regulations and managing security protocols for cloud-based telecom services. Proven ability to conduct detailed audits, risk assessments, and develop compliance strategies that reduce operational risks. Strong communication skills enable effective collaboration with technical teams and regulatory bodies.

WORK EXPERIENCE

Cloud Compliance Engineer   2020-2023

TelecomSecure Group

- Developed compliance strategies for cloud telecom services, ensuring adherence to FCC regulations.
- Conducted regular audits and risk assessments to identify vulnerabilities in cloud systems.
- Collaborated with engineering teams to implement security measures in cloud operations.
- Provided training on compliance requirements and security best practices for staff.
- Created and maintained compliance documentation for audits and regulatory reviews.
- Monitored compliance metrics and implemented corrective actions as necessary.

Compliance Specialist   2019-2020

Telco Innovations

- Assisted in developing compliance programs to meet telecommunications regulations.
- Conducted compliance audits and prepared reports for management and regulatory agencies.
- Worked with IT teams to ensure security controls are effectively implemented.
- Supported training initiatives on compliance issues across departments.
- Performed risk assessments to identify compliance gaps in cloud services.
- Engaged with external auditors during compliance reviews and assessments.

ACHIEVEMENTS

- Successfully improved compliance audit scores by 50% through targeted training initiatives.
- Recognized for outstanding contributions to regulatory compliance within the telecom sector.
- Implemented a compliance framework that streamlined audit processes and reduced time spent by 30%.
