SKILLS

- Telecommunications
- Cloud Integration
- Data Management
- Performance Optimization
- API Development
- Technical Support

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF ENGINEERING IN
TELECOMMUNICATIONS, NATIONAL
INSTITUTE OF TECHNOLOGY**

ACHIEVEMENTS

- Achieved a 25% reduction in latency for cloud applications through optimization techniques.
- Recognized for outstanding client service in cloud service deployments.
- Received a performance award for the successful integration of multiple cloud systems.

WORK EXPERIENCE

TELECOM CLOUD ENGINEER

SkyNet Solutions

2020 - 2025

- Engineered cloud connectivity solutions that improved data transfer rates by 40%.
- Collaborated with network engineers to integrate cloud services with existing telecom infrastructure.
- Developed troubleshooting protocols for cloud connectivity issues.
- Conducted performance evaluations to optimize cloud services.
- Provided support for clients during cloud service setup and configuration.
- Documented all processes and configurations for future reference.

CLOUD INTEGRATION SPECIALIST

DataConnect Inc.

2015 - 2020

- Designed integration solutions for cloud applications to enhance data sharing.
- Worked with developers to implement APIs for cloud services.
- Assisted in the migration of on-premise applications to the cloud.
- Monitored integration performance and resolved issues as they arose.
- Trained clients on using new cloud features and services.
- Prepared reports on integration success metrics for management review.
