# MICHAEL ANDERSON

## CLOUD FINANCIAL OPERATIONS MANAGER

Ambitious Cloud FinOps Analyst with 7 years of diverse experience in financial operations and cloud cost management across various sectors including finance and healthcare. I have specialized in developing financial models that facilitate strategic planning and operational efficiency. My analytical mindset allows me to dissect complex financial data, providing insights that drive effective budget management and resource allocation.

## **PROFESSIONAL EXPERIENCE**

### **HealthTech Corp.**

*Mar 2018 - Present*

Cloud Financial Operations Manager

- Led the implementation of a financial management system to track cloud expenditures across departments.
- Negotiated cloud service contracts, achieving a 20% reduction in annual costs.
- Developed and maintained financial reports that provided insights into cloud usage and costs.
- Conducted training sessions for teams on financial best practices in cloud management.
- Worked closely with IT to ensure alignment of cloud resources with financial objectives.
- Facilitated strategic planning sessions to optimize cloud resource allocation.

### **FinServe Solutions**

*Dec 2015 - Jan 2018*

Senior Financial Analyst

- Analyzed financial statements to identify trends in cloud spending and resource usage.
- Developed dashboards for real-time financial tracking of cloud operations.
- Collaborated with project managers to align budgets with project goals and timelines.
- Presented findings to stakeholders, influencing resource allocation decisions.
- Improved financial forecasting accuracy through enhanced data analytics.
- Participated in cross-functional teams to drive financial strategies for cloud initiatives.

## **ACHIEVEMENTS**

- Recognized for developing a financial model that improved budgeting accuracy by 30%.
- Successfully reduced cloud costs by 25% through strategic vendor negotiations.
- Received a company award for excellence in financial operations management.
